Best Practices for Tobacco Cessation Billing in Behavioral Health Settings

Wednesday, February 26, 2020 from 1 – 2 p.m. ET

Webinar Presenter:

Ann DiGiulio is the National Director of Lung Health Policy at the American Lung Association. Anne oversees the Lung Association’s Tobacco Cessation Policy Project and manages two federal grants related to tobacco cessation coverage. She is the Lung Association’s expert on tobacco cessation policy and healthcare issues, including Medicaid, Medicaid expansion and marketplace healthcare. Originally from Chicago, IL, Anne received her BA in Political Science from the George Washington University. She currently lives in Washington, DC.

Laurel Sisler, LCSW, LCAS, NCTTP, is a clinical social worker, addiction specialist and behavioral health leader. She leads the UNC Tobacco Treatment and Weight Management Programs in their mission to promote the health of populations in North Carolina, the U.S. and internationally through leadership and innovation in clinical practice, research, education, and policy advocacy in tobacco use treatment and weight management. She enjoys working with patients individually and in groups to reach their health goals. She is a nationally recognized speaker on the topic of building sustainable behavioral health programs.
